Primary Domain Name: _____

Redirect Service for up to Three (3) Additional Domain Names	**Monthly Fee: $ 2.00**
Redirect Service for up to Ten (10) Additional Domain Names	**Monthly Fee: 5.00**

Domain Name Registration: If you have not already registered the **Domain Name**(s) you want to redirect, you will need to register the Domain Name(s) before we can set up the Redirection Service. As a courtesy, we can register the name (or names) for you, and bill you for the actual cost. Domain names must be all lowercase. Although there are many new extensions available, if you are a business, we recommend you try to register a name with the **.com** extension; The new extensions are still novel, and may not yet have the credibility you want to establish with potential customers. If you are a "Non-Profit" organization, we recommend you register your name with the **.org** extension.

Available Extensions: **.com   .org   .net   .ws   .tv   .info   .biz   .pro** (restrictions apply)
