Economy Web Presence provides your organization with visibility on the World Wide Web and provides your members with domain name email accounts, lending perceived credibility. This Web Presence can act as an online "yellow pages" ad for a small fraction of the cost, detailing your location, hours of operation, phone numbers, etc.; Or it can act as an interim presence for both potential customers and search engines, while you develop a more full featured web site.

Your Economy Web Presence account includes hosting of 1 HTML page with graphics, with up to 1 MByte of Server Storage Space and your page's reliable connection to the Internet Backbone. Two email aliases are also included. Aliases can be directed to any physical email address. FTP access is not included.

Economy Web Presence   **Monthly Fee: $10.00**

Available Optional Services provide added levels of service now, or as your organization's needs change.
